**Reasons for excisions:**

The DVD is devoted to the explicit depiction of sexual activity. Two excisions are required to remove parts of the second scene in which a man dominates a woman through aggressive and controlling sexual activity. The man displays no regard for the woman's comfort or dignity; the behaviour has a misogynistic undertone, particularly given its occurrence within material designed to sexually arouse the viewer. The material is likely to influence the attitudes of some male viewers and have a resulting harmful impact on the safety of women in sexual situations, and in their relationships more generally.
